◆◆◆◆ Please Join Haskap Canada and make your vote Count. ◆◆◆◆

Haskap Canada Board of Directors needs your vote to make changes to the Current Structure and Bylaws of Haskap Canada. This change will allow Haskap Canada to Grow and become a **true national leader** in the Haskap Industry. This is necessary to give Haskap Canada the numbers and influence when applying for much needed Government Funding and Research. Equally as important, to become the Communication Hub between ALL and for ALL Haskap Grower Associations in Canada.
